

## From Lisbon Airport to Portalegre

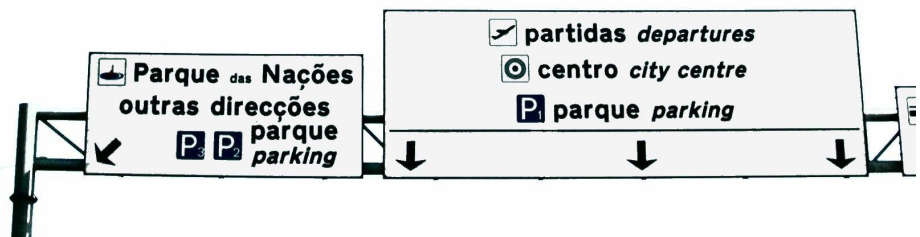

The route to Alentejo from Lisbon airport is the A12 SUL.

To get to the A12 SUL you need to leave the airport on the A1 North for 2km to the Vasco de Gama bridge which is signposted as P.<sup>te</sup> V. Gama.

Reset your odometer/trip meter to zero to help follow the other directions.

As you pass by the airport arrivals (chegadas) set-down area you see this overhead sign. Go left for outras direcções

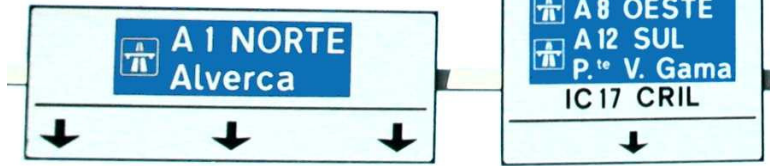

You loop back to face the way you came with arrivals on your left. Make your way right over several lanes and take the first or second right. They both take you to a roundabout which you go straight over. You pass under this sign showing A1 NORTE.

You then come to the first sign for the bridge A12 SUL and P.<sup>te</sup> V. Gama. Go under the flyover turn left at the traffic lights and go up the slip road onto the A1 NORTE.

After 2km on the A1 NORTE turn off to A12 SUL and P.º V. Gama.

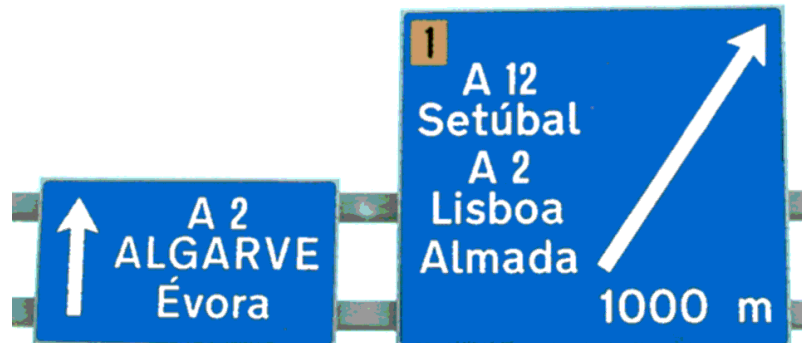

Go over the P.º V. Gama bridge.

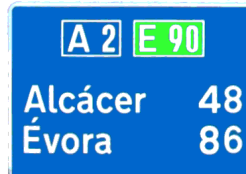

At 30km you reach the Portagem (toll gate). Stop and take a toll ticket. **Do not** go through the Via Verde (Green route) unless you subscribe to Via Verde.

At 38k the road divides. Ensure you do not stay in the right lane. **Take the left split to Évora.**

At 42km you reach the A2

At about 57k take the right hand lane for A6 ESPANHA Évora

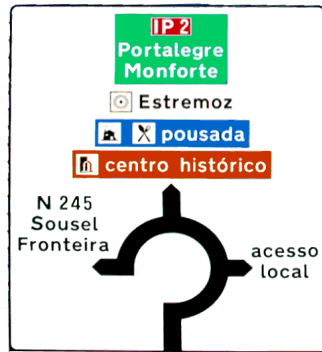

At about 164Km turn off the A6 to Estremoz and Portalegre

Where the slip road joins the main road turn right then immediately left at the sign to Portalegre seen on the other side of the road.

Go over the next roundabout.

Turn left before reaching the centre of Estremoz

Continue without turning until you reach Portalegre.

Approaching Portalegre the first sign post pointing into town takes you to the **E.LECLERC** **Modelo** roundabout. See the separate instructions from this point to the Quinta.
